**COLLECTION:** The Division of Solid Waste sent out two newsletters with information on proper setout procedures for waste, yard waste and recyclables. The newsletters also discussed disposal options, enforcement issues, and special cleanup activities. Solid Waste personnel hosted a recurring government television show “At Your Service” addressing collection, recycling, disposal, littering, illegal dumping, composting, enforcement and special cleanup activities. Solid Waste staff also participated in other public access and local network news reports to highlight solid waste activities. The Division of Solid Waste ran a commercial campaign on proper setout procedures on collection. The Division of Solid Waste hosted a booth at the Home & Garden show held at Heritage Hall. Information was given out on proper collection procedures; yard waste collection, home composting, enforcement issues, disposal options and the Rosie recycling program. The Office of Public Information sent out several press releases on holiday collection schedules. Public Works sent out comprehensive information on the new “Once-a-Week” garbage collection program. Public Works sent out solid waste guides in English and Spanish on Recycling, Yard Waste, Garbage Collection, Call-In Collection and other disposal/recycling options. The Division of Solid Waste personnel maintains a comprehensive website that provides information on all Solid Waste services.

**DISPOSAL:** The Division of Solid Waste sent out two newsletters with information on proper setout procedures for waste, yard waste and recyclables. The newsletters also discussed disposal options, enforcement issues, and special cleanup activities.

Solid Waste personnel hosted a recurring government television show “At Your Service” addressing collection, recycling, disposal, littering, illegal dumping, composting, enforcement and special cleanup activities. Solid Waste staff also participated in other public access and local network news reports to highlight solid waste activities.

During the “At Your Service” show concerning illegal dumping, special emphasis was placed on proper disposal and the many disposal sites in Fayette County. “At Your Service” segments were also devoted to the proper disposal of Household Hazardous Waste, disposal issues relating to stormwater, disposal issues relating to sanitary sewers.

Public Works sent out a special anti-littering newsletter that informed residents about their disposal/recycling options. The Division of Solid Waste maintains a comprehensive website that provides information on all Solid Waste services. The Division of Solid Waste provided a solid waste information booth at Fox Fest and Roots and Heritage Festival. The booth provided information on recycling, proper disposal, composting, collection procedures and enforcement.

**Educational Activity:**

**COLLECTION:** Ads appear in local newspapers providing information on collection service in Fulton County.

**DISPOSAL:** New disposal facilities are not planned in Fulton County. The disposal facilities have given assurance that capacity exists to provide disposal in the foreseeable future.

**RECYCLING/REDUCTION:** Annual school seminar encourage recycling and reduction as part of the curriculum. Similar seminar is held through extension service and as local groups request.

**ANTI-LITTERING:** The Fulton County Litter Cleanup Program continued in 2005. City streets are cleaned on a continuous basis. All county roads were cleaned twice during 2005, through a service program initiated by District and Circuit Courts.

**ANTI-DUMPING:** Fulton County has continued efforts with cleanup of dumpsites and reoccurrence of new dumps is greatly reduced.

**ENFORCEMENT:** Enforcement of local ordinance and surveillance of past sites have reduced the number of new dumps. Citations are issued when needed.

**SITING:** Given the size and geographic location of Fulton County and the lack of need for final disposal capacity, it is unlikely that detailed solid waste facility siting criteria will be needed in the near future.
